---

Project #	Project Name	AC Code	Grp Code	Amount (Estimate)	Important Note
0832	S.S. CASH-TO-TAP	64	County	\$626.28	<b>See Note Below</b>

**Regarding Deferred Special Assessments**

**Important Note:** The estimate representing original principle may be subject to additional interest: 1) Cost Recovery projects would need to be paid if and when the property connects (goes with the property) and 2) Deferred project costs remain until change in ownership or use (granted to owner). For actual amount due please contact the Sanitary Engineer's office at 419-213-2926.
